THANK YOU, PANEL 61

December 2023 will see the end of our District's Service Panel. For those that are unfamiliar, Al-Anon is much more than the weekly meetings that groups have. There are many trusted servants who volunteer their time, resources, and talents to do many behind-the-scenes things that it takes to run the program that is Al-Anon.

Our District Representative meets 7 times a year, along with the Group Representatives, to brainstorm, share, and work together to further the message of carrying Al-Anon to those who need it. There are discussions centered around literature, community outreach, and planning events, as well as to enjoy the fellowship that being part of a loving group enjoys.

There are still many service positions available for the next panel, which will start meeting in January 2024. The newest panel members, along with VACANT positions are found on page two of this newsletter. Many hands make light work!
