Dear Al-Anon Members,

The response to the Conference Expense Appeal has been very gratifying and we want to express our appreciation. Thanks to those groups who have sent in their contribution to this Fund.

To those groups who have not contributed, may we remind you that Headquarters really needs the wholehearted support of all groups to make our first Conference a success.

We are now preparing the Agenda for the Conference. If your group has any particular problem or topic for discussion that would affect Al-Anon as a whole, let us know about it immediately so that it may be included in the Agenda.

All suggestions should be in our hands by February 15th, so that the complete Agenda can be sent to the Delegates well in advance of the Conference.

Sue L.
Chairman,
Conference Committee

Please mark your contribut on CONFERENCE FUND.
